

CONNEXION

Moving Online

Due to COVID-19 causing ConneXion to suspend face-to-face gatherings indefinitely (until at least next term), we want to strive to make it possible to still meet. So, we have taken the step to meet over video conferencing applications so we can still chat and see each other.

ConneXion will be using Zoom which is a free video conferencing application that allows participants to talk, message and see each other with internet connection. We often use Zoom for church meetings and some workplaces use Zoom for team meetings, hence we believe it is a trustworthy application. To participate, you will need to download Zoom from <<https://zoom.us/download>> or an application store on a laptop or phone that has a microphone and camera.

As it gets closer to Friday nights, ConneXion leaders will release a hyperlink for ConneXion youth to click and enter our own ConneXion virtual “room”. No one else will be able to enter the room unless they have the link we have circulated.

Please fill in the following to provide permission for your child/ren to participate and to provide the contact details for us to give your child/ren the link to the video conferences.

Personal Details

Youth Name:

School Year:

Youth Email:

Youth Phone:

Parent/Guardian Permission

Parent/Guardian Name:

I _____ (parent/guardian name) give permission for my child _____ (your child's name) to participate in ConneXion online using Zoom video conferencing.
